DISCUSSION

D1. Budget Update (Presenter Kim Domingo)

GM Domingo informed the committee that we will have a mid-year budget adjustment this year. The budget process is on schedule. Once the information is compiled by the finance team, the budget draft will be brought back to the Finance committee for review and comment prior to review at the Board's budget workshop in May.

The GM also made note that the rates that were adopted support the budget.

Regarding the Arsenic Consolidation project, it was recently discovered that one of the participating mobile home parks relinquished 20 AF of water production rights to the A.V. Water Master. GM Domingo informed the committee that he sent our own consolidation agreement stating production rights can't be transferred and the mobile home park will be billed for the 20 AF of water.

A discussion of water rights ensued.
